

2025 Melbourne Osaka Cup Satellite Phone Declaration

This Satellite Phone Declaration is part of the required Race Entry Documentation for the 2025 Event and must be signed and uploaded to the TopYacht Entry on the Melbourne Osaka Cup webpage by 2359hrs on 16th February 2025 as per the NoR.

Yacht Name: _____ **Skippers Name:** _____

1.Primary Satellite Phone.

Primary Satellite phone number: _____

Primary Satphone Provider: Iridium Inmarsat Other _____

The Yacht's primary satellite phone shall be:

- retained in a suitable mounting inside the yacht (eg. nav station) which is connected to the vessel's main house battery electrical supply
- equipped with a permanently located external antenna.
- It shall be turned on and operational at all times while racing so that it can receive calls.
- It shall be securely mounted, accessible and attached to the yacht at all times.

2.Secondary Satellite Phone.

Secondary Satellite phone number: _____

Secondary Satphone type: Hardwired Portable

Secondary Satphone Provider: Iridium Inmarsat Other _____

The Yacht's secondary satellite phone may be a portable unit but shall have a spare battery and be stored in a suitable waterproof housing when not in use.

Declaration:

- I confirm the primary satellite phone shall be capable of sending and receiving emails, SMS and voice calls.
- I confirm the secondary satellite phone shall be capable of sending and receiving SMS messages and voice calls
- I confirm I am aware of the responsibility to check the units for messages on a regular basis and to confirm receipt of all messages from the Organising Authority.

Signed: _____ Skipper's Name: _____
